

Integrity, responsibility, community, perseverance

Our Legacy,

Founded in 1939 by local 10th Mountain Division army veterans, Silver Run is one of America's longest continuously running ski clubs.

Silver Run Ski Team pioneered skiing in the Red Lodge area, Silver Run developed the present day ski resort on Grizzly Peak in 1955.

Our Mission,

to provide a quality, team based skiing experience for all interested area skiers.

Silver Run Ski Team now operates as a 501c3 non-profit based in Red Lodge serving the greater Red Lodge, Billings and Cody communities. We strive to provide quality competitive skiing opportunities to anyone with interest. Scholarships, equipment inventory and transportation are available to make skiing accessible to anyone regardless of economic means.

Silver Run strives to develop competitive skiing skills within our athletes, however that is merely the beginning. Community, self confidence, relationships and friendships, physical and mental wellness, goal setting and productive use of time are the pillars of which competitive skiing is built upon in Silver Run's programs. We provide a means for kids to get out of the house and enjoy winter in Montana!

Our Reputation,

Silver Run employs some of the highest qualified coaches in the country. Our professional coaching staff includes former US Ski Team athletes, former US Ski Team coaches, and former US Pro Tour athletes. The level of experience and expertise of Silver Run's staff is truly unique.

Silver Run has a decades long history of financial viability and accountability. Affordability and quality are priorities of Silver Run's leadership team. We hold ourselves accountable to strive for continuous improvement as an organization, and we believe our service to the community represents this.

In the last five years Silver Run has;

- Expanded our athlete roster by 18%. We have racing programs for youth and adults, and freeride skiing for youth.
- Achieved the Bronze level standard as a US Ski and Snowboard club.
- Acquired a 15 passenger van providing transportation to and from training after school to Billings and Red Lodge students.
- Started a nordic ski team that is rapidly expanding.

Our Goals,

Silver Run needs to be bigger and better to best serve the growing greater Red Lodge and Billings communities. In order to make the most positive impact on the people we serve we see the following needs.

- Building a clubhouse on Red Lodge Mountain.
- Obtaining a trail groomer to partner with the Red Lodge Nordic Center to provide quality nordic skiing and host nordic skiing events in Red Lodge.
- Expanding on our current scholarship opportunities for those with financial need.

How your donation will be used,

The construction of a clubhouse will give our athletes a place to be together on Red Lodge Mountain. Our staff will gain efficiency by keeping equipment accessible, clean and dry on the hill. The fundraising goal for our clubhouse is \$35,000

The acquisition of a trail grooming machine will enable Silver Run to provide high quality nordic skiing to our athletes as well as the public users of the Red Lodge Nordic Center. The fundraising goal for the trail groomer is \$50,000

Gift Opportunities,

There are countless ways for you to make a difference for the people that Silver Run Ski Education Foundation serves. We can accept in-kind donations, one time and recurring donations, here are a few ways to get started.

- Easy Way Down - \$500 for this amount we will thank you via social media
- More Difficult - \$800 this donation gets you a social media shout out as well as a hole sponsorship at our annual golf tournament on August 15 in Red Lodge
- ◆ Most Difficult - \$1200 includes all above, and your name on clubhouse signage as a major supporter.
- ◆◆ Experts Only - \$2000 includes all above, and your name on our website as a team sponsor

Title Sponsor - \$6,000 All the above plus your company's logo will be the primary logo on the body of the team van, over 2,300 square inches on both sides and the back of the body.

Tier II Sponsor - \$1,500 your company's logo displayed on a 576 square inch space on the team van plus website and social media recognition

Base Sponsor - \$600 your company's logo displayed on a 288 square inch space on the team van, plus website and social media recognition.
